

America 250

In July 2011, Marge Pavol and I decided to honor the parishioners and their relatives who served in our country's military and asked for photos of them, preferably in their uniforms. We received quite a lot, as you can see by the attached list of the photos that we got.

In honor of our country's 250th anniversary, we would like to update the display and **include photos of our parishioners and their relatives who have served since 2011 OR who didn't give us their photos back in 2011.**

Please include the branch of the service, which war they served in (if applicable) and their years of service, if possible.

You can scan it at 300 dpi and email it to Kathryn Peters or give her the photo (through the rectory) and she can scan it and return it to you. Of course, you can print your own **but, please, print it on 5" x 7" photo paper if you can so it looks better than on photocopy paper and include the information about the person.** **If you email or give it to me, I will print it on photo paper. The deadline for giving them to me is June 7th.**

Of course, we will try to include all of the photos that we can but please realize that the space is limited and only so many photos will fit in the display case. **Preference will be given to current parishioners and their family members.**

We already have photos of the veterans on the enclosed list so we don't need photos of them.

Marge and I are looking forward to honoring these veterans on this very special anniversary of our county. God bless them for their service and God bless America!

Kathryn Peters
